## Make the most of the school holidays at MoAD

MoAD's imaginative and interactive spaces will keep kids of all ages entertained these school holidays. Adults are welcome to join in the fun!

### Enjoy additional *PlayUP* sessions

Extra sessions of our award-winning interactive exhibit *PlayUP – The Right to Have an Opinion and Be Heard* will be offered from Monday June 28 through to Friday July 9, 2021. The early learning space will feature a week of NAIDOC themed crafts and discovery activities from July 5. The two-hour sessions offer a mixture of facilitated and self-guided activities suitable for children 0 – 7 years of age and their carers.

Inspired by the United Nations Convention on the Rights of the Child, *PlayUP* celebrates the role of children in our community. From listening pods and a roleplay café to facilitated craft activities, children will stay active, warm and engaged in *PlayUP*.

Entry to *PlayUP* is free but bookings are essential, [book now!](#)

### Explore self-publishing in the Zine Lounge

Zines are self-published, small-circulation magazines. MoAD's Zine Lounge is a space for visitors to get creative and explore the art of zine making. It is stocked with all the creative tools children and grown ups will need to experiment with creating their own zine.

Zines are a great way to publish your own stories, art, writing, reviews, rants, collages, poetry and photography. This is an unfacilitated space leaving you to discover and create independently. There are no rules! You decide what you say and how you say it.

Activities are suitable for all ages. Free entry. Open daily 9am – 5pm. Learn more about the [Zine Lounge](#).

### Rediscover letter writing in *Yours Faithfully*

Over the years, everyday people have used the humble materials of pen and paper to communicate, persuade and initiate great change. MoAD's interactive exhibit *Yours Faithfully* invites visitors to rediscover the lost art of letter writing using our range of tools and supplies including beautifully restored typewriters and thought-provoking prompts. Pop your piece of mail in our post box – postage is on MoAD.
